

## National Taiwan University Faculty Positions

---

The Department of Civil Engineering at the National Taiwan University invites applications for the following full-time faculty positions:

1. One position in the Division of Structural Engineering. Applicants with expertise and research interests in the areas of Computational Mechanics and Solid Mechanics are preferred. (starting date: **Aug 1, 2013**; deadline for application: **Dec 15, 2012**)
  
2. Two positions in the Division of Transportation Engineering. Applicants with expertise and research interests in the following areas are preferred:
  - 1) Transportation Engineering and Planning
  - 2) Sustainable Transportation, Transportation Energy, and Eco-Transportation
  - 3) Air Transportation Engineering and Management(starting date: **Aug 1, 2013**; deadline for application: **Dec 15, 2012**)

Each applicant should hold a doctoral degree in Civil Engineering or a closely related field by the starting date, and demonstrate interests and expertise in inter-disciplinary research and undergraduate and graduate teaching. The positions may be filled at the assistant, associate, or full professorial rank depending on the successful candidates' qualifications and experiences.

Applicants must provide the following items:

1. A cover letter,
2. A resume that states employment history, expertise, and possible courses to be offered,
3. A statement of research plan for the next five years (maximum 6 pages),
4. Official doctorate degree certificate if possible,
5. Transcripts of graduate studies if applicants are applying for an assistant professor position,
6. Contact information of three to five references for letters of recommendation,
7. A list of publication,
8. One *representative* publication and no more than five *selected* publications. The time between the publication date of the representative (each selected) publication and the starting date for the position must be less than **5 (7)** years.

Applications should be addressed to Dr. Liang-Jenq Leu, Professor and Chairman, Department of Civil Engineering, National Taiwan University, No. 1, Sec. 4, Roosevelt Road, Taipei 10617, Taiwan. For more information, please visit our website (<http://www.ce.ntu.edu.tw>).
